PROPOSED CONSTITUTIONAL AMENDMENTS OR OTHER PUBLIC MEASURES	PROPOSED CONSTITUTIONAL AMENDMENTS OR OTHER PUBLIC MEASURES	BREVARD COUNTY
<p align="center">NO. 4 CONSTITUTIONAL AMENDMENT ARTICLE X, SECTION 19</p> <p align="center">Authorizes Miami-Dade and Broward County Voters to Approve Slot Machines in Paramutuel Facilities</p> <p>Authorizes Miami-Dade and Broward Counties to hold referenda on whether to authorize slot machines in existing, licensed parimutuel facilities (thoroughbred and harness racing, greyhound racing, and jai alai) that have conducted live racing or games in that county during each of the last two calendar years before effective date of this amendment. The Legislature may tax slot machine revenues, and any such taxes must supplement public education funding statewide. Requires implementing legislation.</p> <p>This amendment alone has no fiscal impact on government. If slot machines are authorized in Miami-Dade or Broward counties, governmental costs associated with additional gambling will increase by an unknown amount and local sales tax-related revenues will be reduced by \$5 million to \$8 million annually. If the Legislature also chooses to tax slot machine revenues, state tax revenues from Miami-Dade and Broward counties combined would range from \$200 million to \$500 million annually.</p> <p><input type="radio"/> YES <input type="radio"/> NO</p>	<p align="center">NO. 7 CONSTITUTIONAL AMENDMENT ARTICLE X, SECTION 22</p> <p align="center">Patients' Right to Know About Adverse Medical Incidents</p> <p>Current Florida law restricts information available to patients related to investigations of adverse medical incidents, such as medical malpractice. This amendment would give patients the right to review, upon request, records of health care facilities' or providers' adverse medical incidents, including those which could cause injury or death. Provides that patients' identities should not be disclosed.</p> <p>The direct financial impact this amendment will have on state and local government revenues and expenditures cannot be determined, but is expected to be minimal. State agencies will incur some additional costs to comply with public records requirements of the amendment, but these costs will be generally offset by fees charged to the persons requesting the information.</p> <p><input type="radio"/> YES <input type="radio"/> NO</p>	<p align="center">CHARTER AMENDMENT 2 AMENDMENT AND TRANSFER OF PREAMBLE</p> <p>Shall the Preamble be revised and incorporated into Section 1.1 of the Charter of Brevard County so as to give legal effect to the provisions of the Preamble?</p> <p><input type="radio"/> YES <input type="radio"/> NO</p>
<p align="center">NO. 5 CONSTITUTIONAL AMENDMENT ARTICLE X</p> <p align="center">Florida Minimum Wage Amendment</p> <p>This amendment creates a Florida minimum wage covering all employees in the state covered by the federal minimum wage. The state minimum wage will start at \$6.15 per hour six months after enactment, and thereafter be indexed to inflation each year. It provides for enforcement, including double damages for unpaid wages, attorney's fees, and fines by the state. It forbids retaliation against employees for exercising this right.</p> <p>The impact of this amendment on costs and revenues of state and local governments is expected to be minimal.</p> <p><input type="radio"/> YES <input type="radio"/> NO</p>	<p align="center">NO. 8 CONSTITUTIONAL AMENDMENT ARTICLE X, SECTION 20</p> <p align="center">Public Protection from Repeated Medical Malpractice</p> <p>Current law allows medical doctors who have committed repeated malpractice to be licensed to practice medicine in Florida. This amendment prohibits medical doctors who have been found to have committed three or more incidents of medical malpractice from being licensed to practice medicine in Florida.</p> <p>The direct financial impact on state and local governments resulting from the proposed initiative would be minimal. There will likely be additional costs to the state of less than \$1 million per year, but these costs will be offset by licensure fees.</p> <p><input type="radio"/> YES <input type="radio"/> NO</p>	<p align="center">CHARTER AMENDMENT 3 TRUTH IN TAXATION</p> <p>Shall the Brevard County Charter be amended to require publication of notice of disclosure of the percentage of tax increase in any year in which the Board of County Commissioners tentatively adopts a property tax millage rate in excess of the roll-back rate computed pursuant to Florida Statutes?</p> <p><input type="radio"/> YES <input type="radio"/> NO</p>
<p align="center">NO. 6 CONSTITUTIONAL AMENDMENT ARTICLE X, SECTION 19</p> <p align="center">Repeal of High Speed Rail Amendment</p> <p>This amendment repeals an amendment in the Florida Constitution that requires the Legislature, the Cabinet and the Governor to proceed with the development and operation of a high speed ground transportation system by the state and/or by a private entity.</p> <p>The probable financial impact of passage of this amendment is a state cost savings ranging from \$20 billion to \$25 billion over the next 30 years. This estimate assumes the repeal of associated laws, the use of state bonds to finance construction, and could be reduced by federal or private sector funding.</p> <p><input type="radio"/> YES <input type="radio"/> NO</p>	<p align="center">BREVARD COUNTY</p>
