	CITY OF COCOA	NO. 4 CONSTITUTIONAL AMENDMENT ARTICLE X, SECTION 19 Authorizes Miami-Dade and Broward County Voters to Approve Slot Machines in Paramutuel Facilities Authorizes Miami-Dade and Broward Counties to hold referenda on whether to authorize slot machines in existing, licensed parimutuel facilities (thoroughbred and harness racing, greyhound racing, and jai alai) that have conducted live racing or games in that county during each of the last two calendar years before effective date of this amendment. The Legislature may tax slot machine revenues, and any such taxes must supplement public education funding statewide. Requires implementing legislation. This amendment alone has no fiscal impact on government. If slot machines are authorized in Miami-Dade or Broward counties, governmental costs associated with additional gambling will increase by an unknown amount and local sales tax-related revenues will be reduced by \$5 million to \$8 million annually. If the Legislature also chooses to tax slot machine revenues, state tax revenues from Miami-Dade and Broward counties combined would range from \$200 million to \$500 million annually. ☐ YES ☐ NO
