The Legislature may tax slot machine revenues, and any such taxes must supplement public education funding statewide. Requires implementing legislation.</p> <p>This amendment alone has no fiscal impact on government. If slot machines are authorized in Miami-Dade or Broward counties, governmental costs associated with additional gambling will increase by an unknown amount and local sales tax-related revenues will be reduced by \$5 million to \$8 million annually. If the Legislature also chooses to tax slot machine revenues, state tax revenues from Miami-Dade and Broward counties combined would range from \$200 million to \$500 million annually.</p> <div><input type="radio"/> YES</div> <div><input type="radio"/> NO</div> |

| <div>NO. 5</div> <div>CONSTITUTIONAL AMENDMENT</div> <div>ARTICLE X</div> <div>Florida Minimum Wage Amendment</div> <p>This amendment creates a Florida minimum wage covering all employees in the state covered by the federal minimum wage. The state minimum wage will start at \$6.15 per hour six months after enactment, and thereafter be indexed to inflation each year. It provides for enforcement, including double damages for unpaid wages, attorney's fees, and fines by the state. It forbids retaliation against employees for exercising this right.</p> <p>The impact of this amendment on costs and revenues of state and local governments is expected to be minimal.</p> <div><input type="radio"/> YES</div> <div><input type="radio"/> NO</div>                                                                                                                                                                                                                                                                                   | <div>REFERENDUM 1</div> <div>ECONOMIC DEVELOPMENT AD VALOREM TAX EXEMPTIONS FOR NEW BUSINESSES AND EXPANSIONS OF EXISTING BUSINESSES</div> <p>Shall the Board of County Commissioners of Brevard County continue to be authorized to grant, pursuant to Section 3, Article VII of the State Constitution, property tax exemptions to new businesses and expansions of existing businesses?</p> <div><input type="radio"/> YES - FOR AUTHORITY TO GRANT EXEMPTIONS</div> <div><input type="radio"/> NO - AGAINST AUTHORITY TO GRANT EXEMPTIONS</div>                                                                                                                                                                     |

This amendment prohibits medical doctors who have been found to have committed three or more incidents of medical malpractice from being licensed to practice medicine in Florida.</p> <p>The direct financial impact on state and local governments resulting from the proposed initiative would be minimal. There will likely be additional costs to the state of less than \$1 million per year, but these costs will be offset by licensure fees.</p> <div><input type="radio"/> YES</div> <div><input type="radio"/> NO</div>                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
