<p style="text-align: center;"><b>NO. 8 CONSTITUTIONAL AMENDMENT ARTICLE IX, SECTION 1 ARTICLE XII, SECTION 31</b></p> <p style="text-align: center;"><b>Revision of the Class Size Requirements for Public Schools</b></p> <p>The Florida Constitution currently limits the maximum number of students assigned to each teacher in public school classrooms in the following grade groupings: for prekindergarten through grade 3, 18 students; for grades 4 through 8, 22 students; and for grades 9 through 12, 25 students. Under this amendment, the current limits on the maximum number of students assigned to each teacher in public school classrooms would become limits on the average number of students assigned per class to each teacher, by specified grade grouping, in each public school. This amendment also adopts new limits on the maximum number of students assigned to each teacher in an individual classroom as follows: for prekindergarten through grade 3, 21 students; for grades 4 through 8, 27 students; and for grades 9 through 12, 30 students. This amendment specifies that class size limits do not apply to virtual classes, requires the Legislature to provide sufficient funds to maintain the average number of students required by this amendment, and schedules these revisions to take effect upon approval by the electors of this state and to operate retroactively to the beginning of the 2010-2011 school year.</p> <p><input type="radio"/> YES <input type="radio"/> NO</p>	<p style="text-align: center;"><b>Requires Municipal Voter Approval of County Charter Amendments Affecting Municipal Service, Function, Power or Authority</b></p> <p>Shall the Brevard County Charter be amended to require that county charter amendments approved after December 1, 2010, that conflict with, transfer or limit a municipality's service, function, power or authority apply to that municipality only if the amendment is approved or consented to by a majority of voters in that municipality voting in a referendum?</p> <p><input type="radio"/> YES FOR APPROVAL <input type="radio"/> NO FOR REJECTION</p>
