This amendment specifies that class size limits do not apply to virtual classes, requires the Legislature to provide sufficient funds to maintain the average number of students required by this amendment, and schedules these revisions to take effect upon approval by the electors of this state and to operate retroactively to the beginning of the 2010-2011 school year.</p> <p><input type="radio"/> YES <input type="radio"/> NO</p>	<p style="text-align: center;">Creation of New Charter Section "Citizens Process for Making Recommendations to the County Commission"</p> <p>Shall the Brevard County Charter be amended to provide for a section entitled "Citizens Process for making Recommendations to the County Commission" to provide process which allows for citizens or organized groups to make recommendations to the County Commission with respect to the enhancement of County Government's effectiveness and efficiency, and require the County Commission to review and either accept, accept with modifications, or reject the recommendations within a specified time frame?</p> <p><input type="radio"/> YES FOR APPROVAL <input type="radio"/> NO FOR REJECTION</p>
