COUNTY REFERENDUM

Economic Development Ad Valorem Tax Exemptions for New Businesses and Expansions of Existing Businesses

Shall the Board of County Commissioners of Brevard County, Florida continue to be authorized to grant, pursuant to s. 3, Art. VII of the State Constitution, property tax exemptions to new businesses and expansions of existing businesses that are expected to create new, full-time jobs in the county?

- ☐ YES - For Authority to Grant Exemptions
- ☐ NO - Against Authority to Grant Exemptions

- ## SCHOOL BOARD REFERENDUM

Would you support the School Board levying a one-half cent surtax on sales in Brevard County, beginning 1/1/15, for a period of six years, to be used exclusively for critical school facility renewal projects, school security and technology upgrades? A needs-based prioritized list of projects has been published and expenditures will be monitored by an independent citizen oversight committee.

- ☐ YES - For the One-Half Cent Tax
- ☐ NO - Against the One-Half Cent Tax

Use of Marijuana for Certain Medical Conditions

Allows the medical use of marijuana for individuals with debilitating diseases as determined by a licensed Florida physician. Allows caregivers to assist patients' medical use of marijuana. The Department of Health shall register and regulate centers that produce and distribute marijuana for medical purposes and shall issue identification cards to patients and caregivers. Applies only to Florida law. Does not authorize violations of federal law or any non-medical use, possession or production of marijuana.

Increased costs from this amendment to state and local governments cannot be determined. There will be additional regulatory and enforcement activities associated with the production and sale of medical marijuana. Fees will offset at least a portion of the regulatory costs. While sales tax may apply to purchases, changes in revenue cannot reasonably be determined since the extent to which medical marijuana will be exempt from taxation is unclear without legislative or state administrative action.

- ☐ YES
- ☐ NO

Prospective Appointment of Certain Judicial Vacancies

Proposing an amendment to the State Constitution requiring the Governor to prospectively fill vacancies in a judicial office to which election for retention applies resulting from the justice's or judge's reaching the mandatory retirement age or failure to qualify for a retention election; and allowing prospective appointments if a justice or judge is not retained at an election. Currently, the Governor may not fill an expected vacancy until the current justice's or judge's term expires.
